Notification of Patient Financial Responsibility

As a courtesy, we will verify your coverage and bill your insurance carrier on your behalf. However, you are ultimately responsible for the payment of your bill.

You are responsible for payment of any co-pays at the time of service and for any deductible or coinsurance as determined by your contract with your insurance carrier. Many insurance companies have additional stipulations that may affect your coverage. You are responsible for any amount not covered by your insurer. If your insurance carrier denies any part of your claim, or if you and your physician elect to continue therapy past your approved period, you will be responsible for your account balance in full. If your account is not paid in full and is referred to a collection agency, any fees incurred in collecting on your unpaid balance will be your responsibility. For your convenience, we accept cash, checks and most major credit cards. Payment is expected by payment due date on your Monthly Patient Statement.

I have read the above policy regarding my financial responsibility to Horst Physical Therapy for providing rehabilitative services to the above-named patient or me. I certify that the information provided is, to the best of my knowledge, true and accurate. I authorize my insurer to pay any benefits directly to Horst Physical Therapy. I agree to pay Horst Physical Therapy the full and entire amount of all bills incurred by me or the named patient, if applicable, any amount due after payment has been made by my insurance carrier.
